**Assalam-u-Alaikum wa Rahmatullahi wa Barakatu.** We would like to welcome all the parents and readers to our summer edition of the newsletter for this academic year.

In this newsletter you will learn about the busy year Madni Jamia Madrasah students have had and all the activities that have taken place.

We hope that you all enjoy the upcoming Ramadan break and make the most of this spiritual time.

## The Mawlid-un-Nabi Week

As the illuminating month of Rabbi-ul-Awwal rose upon us, teachers and students participated in our annual Mawlid event hosting the honourable remembrance of the blessed birth of the Prophet ﷺ.

Topics related to the birth and the miracles which occurred on that blessed day were spoken about, Tilaawat of The Quran and Na'ats (Islamic praises) were recited by our talented students.

Teachers creatively introduced ways for the students to enjoy learning about the life of the Prophet ﷺ by arranging a week of activities covering certain aspects of His ﷺ life, miracles that He ﷺ performed and the foods that He ﷺ enjoyed. **An uplifting week which all teachers and students enjoyed taking part in.**

A platter of RasullAllah ﷺ favourite foods. He ﷺ loved dates, grapes, watermelons, bread, cheese, honey and olive oil. **Include them in your daily diet to keep the Sunnah alive.**

## Football tournament – 25 March 2017

Alhamdulillah this was the fourth time this football tournament has taken place. Over 70 pupils from Madni Jamia Madrassah took part in attending at Frame 2. Tournaments were arranged in 3 different age groups with pupils having a fantastic day. Raees one of the pupils who took part said it was an, "amazing day of football".

Trophies were also given for a variety of categories including Top Goal scorer and Player of the Tournament for which the winners were Khawar Ali and Muhammad Sufyaan Rehman respectively.

A great thank you to all staff and parents for attending, supporting and motivating the pupils and making the day a fantastic success.

## Anti-Bullying Week

This year, a heart breaking incident took place in our city of Bradford. Where we lost a young boy in our community due to the disgraceful act of bullying inflicted upon him by fellow school pupils.

As a communal Madrassa inspiring the future generation to become the best and as innovative as they can be, we took this opportunity to remind our students of the character of a rightful Muslim, to use their power for good and the condemnation of bullying in Islam.

Bullying is a serious offence and students should understand that as Muslims we must care for one another as it is stated in the [Hadith of the Prophet ﷺ](#) "A Muslim is he; from whose hand and tongue other Muslims are safe".

## Gems from our assemblies

### Benefits of Making Dua

We learnt about the importance of making Dua to Allah and the specific times in which the Duas of a person are accepted. The students enjoyed learning the correct methods of raising ones hands to make Dua, so that it may create more humility when asking for something in the court of Allah.

### Incidents of Karbala

A breath-taking event which gives us pride to be called Muslims today. We learnt about the great sacrifices our pious predecessors displayed, especially the Grandson of the Prophet ﷺ Imam Hussain RA, who after being betrayed and rebelled against, still remained firm in spreading the message of Islam.

### The best of Companions

A lesson to remember on the best of companions Hadrat Abu Bakr Al Siddiq RA on his anniversary of 22<sup>nd</sup> Jumādā al-ākhir. Pupils revelled in activities and lessons from the stories of a companion whose one good deed is equivalent to all of Hadrat Umars RA deeds. [May Allah ﷻ give us all such sincere companions in this world and the hereafter.](#)

## Summer Camp 2016

In July 2016 our madrassah successfully worked in partnership with the 'Rawha Academy' to organise and deliver a summer camp for some of our Madrassah children. The children who took part in the short Islamic holiday had a lot of fun and enjoyed themselves very much. One of the main aims of the camp was to create fond memories through which children would increase their Islamic understanding and develop a love for their deen.

This trip also allowed the children to experience the outdoors and view the beautiful countryside of Wales. The children took part in many fun and exciting activities such as: Abseiling, 3G Swing, Swimming, Balance Beam, Canoeing, Jacobs Ladder, Jungle Vines, Leap of Faith, Low Ropes, Orienteering, Outdoor Laser Quest, Raft Building and Zipwire. The children also took part in reciting nasheeds, listened to inspirational Islamic stories and took part in fun competitions around evening campfires.

During last year's visit the main theme of the camp was 'Living the Quran' so that one can attain Allah's pleasure. As a result of last year's successful camp, we will be repeating the experience this summer again. This year's camp theme will be 'Loving Allah.'

Congratulations to Laibaa and her family and we hope she enjoyed her prizes of Islamic books and a beautiful Islamic wall frame

*The Prophet ﷺ was in excellent physical shape. Some of the sports He ﷺ participated in included swimming, wrestling, archery, running and horse riding*

We already have a nursery running from the new building based on the ground floor and after Ramadan, we hope to transfer our Girls Madrassah to be permanently based on the 1st floor.

This amazing new facility has cost in excess of £1.5 million and will be a tremendous new resource for our community. Congratulations to the whole community on such a wonderful achievement.
