Parents should note that after-class detention for under 18 students may affect these times. If a student receives after class detention, parent will have to wait until the end of detention before the student can be collected.

Parents’/Guardians (and 18 + Students were applicable) agree;

1. That the student will attend/join Madrasah sessions regularly.
2. That the student will arrive/join class at correct times as instructed by Madrasah Admin.
3. To inform Madrasah at least 15 minutes before the class starting time if student is going to be absent.
4. To ensure that younger children enter Madrasah building safely and are collected from the entrance door at the end of each session. Young children should never be expected to navigate through moving traffic in car park. Instead, parent / guardian must accompany their children to and from Madrasah entrance door. (Madni Madrasah accepts no responsibility for the safety of children outside of the Madrasah building, including in ICEA car parks).
5. To drive extremely carefully and consider safety of pedestrians when dropping and collecting students.
6. To not park on double yellow lines at any time as this creates safety hazard for pedestrians crossing the road.

Disclaimer: Users of ICEA free car parks do so at their own risk. ICEA will not accept liability for any accident, loss or damage to vehicle or property in its car parks.
